

CHRISTINA SUZANNE BOLLO

PO Box 1343
Champaign, IL 61824
cbollo@illinois.edu

EDUCATION

University of Oregon, Eugene

PhD, Architecture, 2015

Outside Focus Area: Economics

Advisor: Professor Mark Gillem

No Vacancy: Uncovering the Architectural Contributions to Social and Economic Sustainability

University of Oregon, Eugene

Master of Architecture, 2002

University of North Carolina, Chapel Hill

BA (English Literature), 1996

John Motley Morehead Scholar

REGISTRATIONS & ACCREDITATIONS

Registered Architect, State of Washington #9850, since 2009

NCARB Certificate, #122673, since 2009

U.S. Green Building Council, LEED Accredited Professional BD+C, since 2004

ACADEMIC POSITIONS

University of Illinois, School of Architecture

Visiting Assistant Professor, current

Comprehensive Design Studio

University of British Columbia, School of Architecture and Landscape Architecture

Post-doctoral Fellow, 2016-2017

Pacific Institute for Climate Solutions funded research

Energy Efficiency in in the Built Environment, Building Stream

Community Emissions Model

University of Oregon, Department of Architecture

Visiting Assistant Professor, 2015-2016

Housing: Theory and Typology, sole instructor, seminar, Fall 2015

Theory of Sustainability in Architecture, co-instructor, PhD seminar, Winter 2016

Human Context of Design, co-instructor, large lecture course, Winter 2016

Intermediate Design Studio, Winter 2016

Graduate Teaching Fellow, 2011–2015

Building Construction, co-instructor, large lecture course, Fall 2014

Introductory and Intermediate Design Studios, sole instructor

Human Context of Design, graduate seminar sections

Graduate Research Fellow, 2012–2015

Funded Military Housing Research

Aviano Air Base, Italy

Joint Base Lewis McChord, Washington

Graduate Research Fellow, 2001–2002

Agents of Change: Alison Kwok, Principal Investigator

U.S. Dept of Education

Fund for the Improvement of Post–Secondary Education

Graduate Teaching Fellow, 2000–2001

Environmental Control Systems

University of Washington

Design Studio Consultant, Assistant to Professor Sharon Sutton, 2011

PROFESSIONAL POSITIONS

Design Response; Vancouver, BC and Albany, OR

Principal, 2015–current

Pender Addition, Vancouver, BC; 2017 (under construction)

Upper Peninsula House, Michigan; 2017

Gerig-Meyer House, Goshen, Indiana; 2016

Fort Lawton Redevelopment Plan, Washington, 2015

Feasibility Studies for Madison/Boylston, Washington, 2015

Graber House, 2013

2-form Architecture; Eugene, Oregon

Project Architect, 2011–2014

The Andy, student housing, 2013

UO Sorority House life safety upgrades, 2012

SMR (Stickney Murphy Romine) Architects; Seattle, Washington
Associate, 2010–2011; Project Architect, 2009–2010; Designer and Project Manager,
2005–2009

Columbia City Station Apartments, 2012

The Holiday Apartments, Capitol Hill Housing, 2010

Humphrey House, Plymouth Housing Group, 2010

Kenyon House, Housing Resources Group, 2008

LEED-Homes, Platinum Certification

ArtSpace Hiawatha, Artspace Projects, 2007

Pyatok Architects; Oakland, California and Seattle, Washington

Designer, Job Captain 2002–2005

Sara Conner Court, Hayward, CA, 2006

Seven Directions, Oakland, CA, 2008

Evergreen Vista, Olympia, WA, 2007

SMR (Stickney Murphy Romine) Architects, Seattle, Washington

Specification Writer 1998–1999

RESEARCH: Invited Talks

Pacific Institute for Climate Solutions, May 15, 2017
Buildings Stream Two-Year Progress Report and Presentation

British Columbia Climate Action Secretariat, June 8, 2017
Presentation to Staff on Community Emissions Model

British Columbia Ministry of Energy and Mines, June 9, 2017
Presentation to staff of Building Safety and Standards Branch on
Community Emissions Model

BCHydro Community Energy Managers, November 20, 2017
"Conceptual Framework for Achieving Climate Policy Objectives"

University of Oregon Guest Lecture, November 9, 2017
"Affordable Housing for Architects"

Housing Development Consortium, December 1, 2015
"No Vacancy" presentation to affordable housing architects and developers

U. S. Green Building Conference, Podcast Interview, December 3, 2010

GreenBuild Conference; LEED Project Showcase, November 10, 2009

Prison Moratorium Project, Stockton, California, 2004

Material World Conference, Brighton, England, 2002: Urban Growth Boundary Film

Agents of Change training, 2001, Milwaukee, WI and Berkeley, CA

“Tool Day” at National Building Museum, 2001, Washington D.C.

RESEARCH: Presentations

Society of Building Science Educators, 2017 Retreat.

Organizer and Presenter for Pechakucha research symposium

University of Oregon Graduate Research Symposium 2012, 2013.

“A Case for Energy Retrofits: The Holiday Apartments”

“Not just for Satellite Dishes: Balcony Use at JBLM”

University of Oregon Architecture Department Research Symposium 2011.

“An Arcteryx Jacket for a cold and wet building”

TEACHING: Courses

Intermediate Design Studio; Winter 2016;

“Housing First: Low-Barrier Housing for Eugene”

M.Arch students (4) and B.Arch students (9)

Sole Instructor

Theory of Sustainability; Winter 2016; 6 credits

Seminar: PhD students (6)

Co-instructor with Professor Rob Ribe,

Human Context of Design; Winter 2016; 4 credits

M.Arch and B.Arch students (160 total)

Co-instructor with Professor Mark Gillem

Housing Theory and Typology; Fall 2015; 3 credits

Seminar: B.Arch students (5), M.Arch students (20)

Sole Instructor

Context of the Profession; Winter 2015; 4 credits

Discussion sections: B.Arch students (30), M.Arch students (20)
Lecture Support and curriculum development

Building Construction (Materials and Methods); Fall 2014; 4 credits

Large Lecture Course: M.Arch and B.Arch students (120 total)
Co-instructor with Professor Erin Moore;

Intermediate Design Studio; Spring 2013; 6 credits

“River | Road - Housing in the Context of Community”
M.Arch students (10) and B.Arch students (3)
Sole Instructor

Introductory Design Studio; Fall 2011, Fall 2013; 6 credits

Second-year B.Arch students (17 students per term)
Sole Instructor

Human Context of Design; Winter 2012, 2013, 2014; 4 credits

Discussion Sections, three with 12-18 M.Arch students each

Housing Design, Fall 2012

Four lectures to class of 60 advanced M.Arch and B.Arch students

TEACHING: Student Advising

Master of Architecture Students, University of British Columbia

Pera Hardy, “Vancouver’s Greenhouse Gas Maximum Policy: Aspiration or Inspiration?”, 2017

Patrick Birch, “Increasing the Carbon Sink of BC Wood Buildings”, 2017

Clark Honors College Thesis Advising, University of Oregon

Veronika Jonsson, “Designing to Support Integrated Mixed-Income Communities: Lessons from a Case Study Analysis of HOPE VI Projects,” Highest Honors, 2015

Christopher Gephardt, “The Spaces Between the Rooms: A Post-Occupancy Evaluation of Informal Social Spaces in the HEDCO Education Building,” Highest Honors, 2014

Amanda McCaffrey, “Concrete: Redefining an Identity,” Highest Honors, 2014

Brent Sturlaugson, “Sustainable Design Guidelines for Housing the Homeless,” 2008

HUD Innovation in Affordable Housing Student Design Competition, 2016
Semi-Finalist, Top 10 project
Lyndsey Pruitt, Molly Taylor, Andrew Jepson-Sullivan, Alex Bibb, Emily Brown

HUD Innovation in Affordable Housing Student Design Competition, 2014
Nataly Rojas, Melissa Anderson, Chris Watkins, Kathryn LaNasa

SERVICE: Academy

UBC Green Building Plan, Workshop Facilitator, 2017

Graduate Admissions Committee, University of Oregon, 2016

Scholarship Committee, University of Oregon, 2016

Faculty Advisor, DesignBridge, University of Oregon student group, 2014

College Teaching Supervision

Human Context, 2016: Lyndsey Deaton, David Lieberman, Nici Stauffer
Building Construction, 2014: Nici Stauffer, Adrienne Gerig-Heyerly, Ben Toda
